وعلى جميع الانبياء والمرسلين والحمد رب العالمين.

In the name of God, the Beneficent, the Merciful.

God, bless Muḥammad, the Chosen Prophet on the number of those who pray on him among the righteous and on the number of those who did not pray on him among the wicked; and on the number of the drops of the rain and on the number of waves of the oceans and on the number of the grains of sand and the wastelands, on the number of the leaves of the trees and on the number of the breaths of those who seek Your forgiveness by morning and on the number of the rinds of fruit and on the number of what was and what is until the Day of Gathering and Verdict. And Bless him (O God), as the turning of nights and days and bless him as long as the colors alternate and with the changing of time, and with the return of things renewed and with the constancy of diversity. And convey from us to his soul and the soul of his family, greetings and salutations and on all the prophets and messengers. And all Praise is due to God.

O God bless Muḥammad and the Family of Muḥammad of the number of the atom a thousand times over. O God bless Muḥammad and the Family of Muḥammad and His Companions and grant them peace. Glory and Holiness belongs to our Lord, Lord of the angels and the Holy Spirit. O our Lord forgive and have mercy and pardon of what You know (best), for You are surely the Most Mighty, Most Honorable.

In the name of Allah, the All-Beneficent, the All-Merciful

O Allah, I ask forgiveness of You for everything for which I repented to You then returned to. And I ask forgiveness of You for everything I displeased You with and all that concerns me with which You are displeased. And I ask forgiveness of You for the favors which I used for increasing my disobedience towards You. And I ask forgiveness of You for the sins which no one knows except You and no one sees except You and nothing encompasses except Your Mercy and nothing delivers from except Your forgiveness and clemency. There is no god except You alone. Glory be to You! Indeed I was an oppressor to myself.

O God, I ask forgiveness of You for the injustice I committed against Your servants. Whatever of Your male or female servants whom I have hurt, physically or in their dignity or in their property give them of Your bounty which lacks nothing. And I ask You to honor me with Your mercy which encompasses all things. Do not humble me with Your punishment but give me what I ask of You, for I am in great need of Your mercy, O Most Merciful of the merciful. May God send blessings upon Muḥammad and upon all his companions. And there is no power and no might except in God the Most High, the Exalted.

In the name of God, the Source of Light, Light upon Light. All praise is due to God who hath created the heavens and the earth. He created the darkness and the light and hath revealed the Torah on Mount Tūr in a Composed Book. All praise is due to God who created the heavens and the earth and created the darkness and the light. *"Yet those who reject Faith hold (others) as equal, with their Guardian-Lord."* (6:1) *"Kāf, Hā, `Ayn, Šād. Hā, Mīm, Sīn, Qāf. "You alone do we worship and You alone do ask for help."* (1:4) O Ever-Living One, O Self-subsisting One. *"Gracious is Allah to His servants: He gives Sustenance to whom He pleases: and He has power and can carry out His Will."* (42:19) O Giver of all, provide me and turn from me everything that harms me. Surely You are capable over all things. In Your hands is all good and You have power over all things.

Information about D'ua Ayat al-Kursi

Mawlana Shaykh Hisham Qabbani said: The du`a of Ayat al-Kursi has been presented in part through those who are **khudaam, (servants for this ayah.)** They are from angels and from jinn, who are the servants of this ayah (Ayat al-Kursi) to anyone who recites this verse in that (special) way. The (special) way that you read this Ayat, activates all the angels and jinns that are under that ayah to help you with whatever you are doing and protect you from everything that may come. The king of all those jinns who are under that ayah is, King al-Malik Kandiyas; who is the one that sends these jinns. That is why there are some codes mentioned in this Ayat that are jinns' expressions, which will make a jinn servant of this verse to come out and help you in what you need. That is why we say 'ayiyoonee', "to help me in what I have to do." Then we say "O Allah make under my authority the spirituality of this ayah in order that these jinn and angels can help me in what I need." And then we recite, 'asaluka an tusakhkhira li khudaam hadhihi al-Ayat', to make the helpers/servants of that ayah to assist me in what I need. Then we say, a jinn expression and [another]... a jinn expression and [another] jinn expression.

May Allah forgive us! You can translate and photocopy this Du'a. And with Mawlana Shaykh Muhammad Nazim al-Haqqani's baraka and authorization, "I am authorizing that this Ayat to be read by any of you who have problem. It has to be read 7 times a day. That will be protection from any major problem coming on earth that will be a protection for all of you. Wa min Allah at-tawfeeq, bi-hurmatil-fatiha."
